

Upper Bay Infrastructure Partners Announces Hire of Head of Investor Relations

NEW YORK – Upper Bay Infrastructure Partners ("Upper Bay"), an independently-owned private investment firm focused primarily on diversified North American infrastructure private equity investments in the middle market, today announced the hiring of Caitlyn MacDonald as Partner and Head of Investor Relations. Ms. MacDonald will lead and manage the firm's global investor relations, fundraising and co-investment functions.

"We are very pleased to welcome Caitlyn to Upper Bay," said Marietta Moshiasvili and Mario Maselli, Managing Partners at Upper Bay. "Caitlyn has extensive experience in strengthening and building investor relationships at premier infrastructure and private equity firms which have achieved strong growth. We are confident that she will prove to be a value contributor to the vision at Upper Bay as we further expand our business in pursuit of the tremendous North American middle market infrastructure market opportunity set."

Prior to joining Upper Bay, Ms. MacDonald served in similar investor-facing roles for more than 15 years, most recently as Partner, Head of Investor Relations at Lee Equity Partners. In that capacity, she led the firm's investor relations, fundraising and co-investment activities. Previously, Ms. MacDonald held roles at First Reserve as a Director of Marketing and Communications where her responsibilities included infrastructure fundraising and investor relations, and at SVG Advisers fund of funds as an Investment Manager. Ms. MacDonald holds a B.S. from Emerson College and a M.B.A. from Babson College.

About Upper Bay Infrastructure Partners

Upper Bay Infrastructure Partners, with close to \$700 million of assets under management, is an independently-owned private investment firm focused primarily on diversified North American infrastructure private equity investments in the middle market. Upper Bay targets both mature, stable assets and growth-oriented infrastructure investments in partnership with leading operators and developers. Upper Bay seeks to make infrastructure investments primarily in the following sectors: transportation, power & utilities, midstream, and telecommunications. Upper Bay was founded in 2018 by former executives at Nuveen (previously TIAA-CREF) and is headquartered in New York City. For more information, please visit www.ubaycap.com.
